**Customer Information**

**Address:** (Zip Code at least)

**Name:**

**Phone:**

**Email:**

**Company:**

---

**Meter, Liquid, Pipe, & Application Information**

**Number of Meters:**

**Liquid to be Metered:**

**Pipe size:**

**Pipe is made of:**

**Measuring Tech:**

**Measurements:**                      Total                      Resettable (Batch) Total                      Rate                      Temperature

**Meter is made of:**

**Max. Pressure:**                      psi

**Flow Rate:**                      gpm

**Max. Temperature:**                      °F

**Output Type:**

**Digital Display:**

---

**Please add any details that you think might help:**

Briefly describe your application including as many details as possible.

If the liquid to be measured is other than water, please include viscosity and specific gravity. If available, please attach a Material Safety Datasheet when emailing this form.
